Dear Corinne,

I am writing to you to say thank you for the phenomenal trip we had at the North West Surrey Reform Synagogue.

I had a wonderful day but my favourite part of the trip was looking at the Torah because it looked beautiful and I can't believe someone actually wrote the Torah. It is amazing because it looked like it had been typed.

I liked how you explained everything about Shabat and what they do to celebrate. Looking in the ark was incredible and I won't forget it. I am very grateful that we had you as our guide and thank you again for our visit. Hope to see you again soon.

Best Wishes

Maisie

Dear Corinne,

I am writing to you to say thank you for our brilliant visit to the North West Surrey Reform Synagogue. We were so lucky to have you because you're such a lovely guide.

I was amazed at how much I learned in a few hours and all about the Jewish religion but everything was very fascinating.

I had a thrilling day but my favourite part was when you took out the Torah and we got to look at it. I really enjoyed everything so again thank you for making it all interesting and fun. It is an experience I'll never forget.

Best Wishes,

ARABELLE
